## From Our Delegate...

### Baby Steps to the Conference

Every morning, as part of my daily program, I write a short gratitude list. And every morning for the past few weeks, one of the items there, more often than not, was “baby steps to the Conference.” This has been a busy time of travel and preparation for the General Service Conference, on top of all my usual activities. Baby steps made it manageable. Sort of.

Today, the day before I leave, I need to mow the lawn and do laundry. I also need to stop and take time to remember where I’m going tomorrow and why it matters. In many ways, the Conference is very distant from

most AA members. Too distant. I need to serve as the voice of Area 56 and also do my best to understand what is best for AA as a whole. A past Delegate recently told me that two million people are counting on me. It nearly broke my brain.

So instead, I choose to concentrate on baby steps-taking one day at a time. Finish the laundry and pack. Go to a meeting. Get to the airport on time. Pray for guidance and strength. Focus on the positive. And think of the people here in southwest Ohio who wish me well. I am grateful for the support I’ve received from people here and grateful as

well for the growing interest in general service which I see around me.

I think I know what to expect in New York and am, as a result, probably completely deluded. I am sure, however, that I will get what I need to the extent that I ask for help and wisdom. I’ll see you when I get back!

## *True Gifts-Sense of Purpose and Service to Others*

Greetings to all in Area 56. It is always an honor to speak to my AA friends, regardless of method or forum. This is a particular privilege to come to you in the second issue of the

Area 56 newsletter “Walking with Purpose”. The task at hand is share my thoughts on, as the newsletter name states, “Walking with Purpose”. I always thought that “trudging the road to happy destiny” would be a lifelong, laborious, exhaustive journey. It wasn’t until a lot of good people in AA showed me that my sober journey could be one filled with meaning and the joy of service to others.

When I drank I would spend hours, usually alone, trying to come to an understanding of myself, my life and the meaning of it all. That effort was empty and never yielded an answer. It was only through grace, the Twelve Steps and the fellowship of Alcoholics Anonymous that life began to have purpose. Purpose not discovered on my own; purpose shown to me by those who had been given the gift of service to others through their own involvement in general service. I was shown that gratitude was an action word and giving back to the fellowship was saying thank you in the most spiritual way.

I have been shown that there is a niche for everyone in AA. We just have to find it. It has been something given to me by those who have gone before. That path has meant doing tasks that I couldn’t understand but doing them because I was shown the importance of giving back. Making coffee, setting up for a meeting, welcoming newcomers are all forms of service, but I found myself wondering “is that all there is?” That question was answered in part when someone said, “Why don’t you be our GSR?” That simple request began to change my life, not only in AA, but “in all my affairs”

I came to understand that the circle around the triangle meant “the whole world of AA”, not only to our fellowship but to me personally; that there was a whole world of service within the fellowship that I had never been introduced to. Service in our structure meant giving back at a different level, and was, through acts seemingly unrelated, helping to carry our message to those still suffering.

The purpose I had long sought has been given to me; serving our beloved fellowship and those around me as a trusted servant. Not because it is a necessity, but because it is my purpose; given to me by my Higher Power and Alcoholics Anonymous. If I am grateful for what I have been given, then it is incumbent upon me to fulfill that purpose by “walking” forward and serving when my Higher Power, through all of you, puts an opportunity in front of me. Thank you for blessing me with all those opportunities.

**In love and service,  
Roger C.

### **Area 56 Finance Committee Report...**

As the new Finance Committee Chair I chaired the first committee meeting which was held April 17, 2016. Four members attended this meeting. We reviewed three items: 1) Feasibility Study, 2) Area Budget, 3) Reviewed newsletter budget.

After discussing two items concerning the area budget the committee voted to send them to the Area Committee for their approval.

If the Area Committee approves the changes they will then be put on the agenda of the next Assembly for their approval.

The next Finance Committee Meeting will be held on May 15, 2016 at 2:00 pm in Miamisburg.

#### **Area 56 Mini-Conference recaps & gearing up for Unity Day 2016**

First of all, thanks to All the Area 56 Mini Conference 2016 committee members and Area 56 Committee chairpersons and Panel Officers who ensured the success of our Conference.

Even though the number in attendance nearly broke the 100 person mark, I believe "We" of the Area 56 Fellowship were able to empower our Delegate, Laura G., to share from our informed group conscience at the 66<sup>th</sup> General Service Conference of Alcoholics Anonymous in New York, April 17-23, 2016.

Thanks and appreciation to all of the A.A. members who joined us from Area 56, especially the First timers to the Mini-Conference!

I would be remiss if I did not also extended my gratitude and thanks to Kristi K H, Area 53, Calvin L. Area 54, John C. Area 55 from the other 3 Areas in Ohio, for joining us for the Mini-Conference, March 18-20, 2016 held in Dayton, Ohio.

And I am grateful for their service and sharing, to our East Central Region Trustee, Bill F., and Michelle Grinberg (Class A Trustee-nonalcoholic) and Sharon F. (Past Delegate, Area 53) our Saturday night speaker.

The 2016 Mini-Conference was my second one and my first full experience of participating at the Conference as an active Service Representative and Committee Co-chair and break-out session co-chair. Some of my favorite moments of the Conference was being a "Greeter", because it's always a great day to be Sober.

Maybe not the fun "cool kid stuff" but vitally important was learn-

ing the whole Conference committee rules and procedures. "Trudging" during the Agenda items' Breakout sessions, submitting the Reports which were shared with the Full Assembly during the Floor session was the essential work and yet exciting. To work with the other committee chairpersons was challenging but seeing the whole process in action was rewarding.

Being able to help out even for a short stint with our fabulous Hospitality committee Tonya C. and Judson W., was good fun!

The committees' display boards were on full parade, always good resources for future events. Awesome to see our A.A. fellowships' creativeness, to see how we can 'carry the message' the old fashion way, in 2 dimensional form.

I got a renewed sense of the "Spirit of the Fellowship", while passing out flyers, etc., And serving on the Group Services committee I had the added bonus of passing and sharing information regarding GSR School.

Next GSR school will be at Unity Day, May 21, 2016 at 9:00.

Mini-Conference 2016 is behind us and Unity Day 2016 fast approaching!

I am grateful to be serving on your Area 56 Group Services committee.

**See you in Miamisburg, Ohio May 21 for AREA 56 UNITY DAY!**

**In humble service,**

**Jorjann C, Loveland Gratitude Grp-Alt GSR, Co-Chair Area Group Services Committee**

### **Area 56 Treatment Centers/Special Needs Committee Report...**

The Treatment Centers/Special Needs Committee met Sunday, April 17 from 2-4 pm at St. John's Church in Miamisburg. I was joined by new committee member, Steve M. He has much practical experience to share and his participation will aid our efforts.

We discussed at length where to begin and decided that the first step would be to assemble a list of all current treatment facilities within Area 56. Once that list is established we will cut the number down

to those who permit access to the program of Alcoholics Anonymous. Many do not, as the management of each facility decides policy independently.

The meeting was fruitful and we have a course of action planned with the intent to meet again come May 15th at St. Johns beginning about 2:00 pm.

**Yours in sobriety, Steve B.**

**District 23...**

District 23 is experiencing a regrowth with more than a dozen representatives at our last meeting, April 3. This is an exciting time to be the DCM because of so much interest by the younger members wanting to learn about service. Groups who previously had not come to the district meetings are now signing up people to represent them at district. The mini-conference inspired several people who then talk to others about how exciting service is. Hopefully there will be great attendance at Unity Day by District 23.

District 23 is sponsoring a "Lunch & Cookies Workshop" Saturday, June 4 from 1:00-4:00 pm at the Montezuma United Methodist Church, 40 High Street, Montezuma, Ohio. This is a shameless way to

entice members to attend our workshop which will feature subjects like "Where Money & Spirituality Mix," and "Cooperating (Not Affiliating) With the Courts." The hope is that this interactive workshop will help members come to their own conclusions about the importance of contributions to their groups and to AA as a whole. Cooperation with the courts has sometimes become affiliating with the courts so hopefully members can gain an understanding of our roles as groups and members of AA. In addition, the world's best home made cookies will be served along with lunch. (Feed them, they will come)

It's a great time to be sober in AA!

Andrea H., DCM District 23

**District 11...**

District 11 is looking to have a great event on May the 14th. We are calling it a Night Out in Sobriety. We have sold tickets in a flurry, and sold out in hurry. We will have live dinner music by Gregg Clark, the speaker will be Joe A. from Cincinnati. We are looking to bring

the district together so we can get to know each other and to encourage service. Should be an exciting event. More to come from district 11. Don't call it a come back we have been here for years...haha

### Area 56 Communications Committee Report...

Definition of the word challenge: Putting together a newsletter in a program never used before while juggling reports sent in different formats. But that's how life works...make huge mistakes and while doing so learning all the ins and outs of a system. Some days, in the middle of all the chaos, I feel like the luckiest person on earth because I get to live this life. I used to be a hopeless, miserable drunk and now I get to serve others and have purpose. Only in a fellowship like ours!

Anyway, this is still a committee of one but after this edition I would like to actively recruit members to join me. I am sure that

there are those who are much more talented than I who would like to help me here. An upcoming challenge will be to look into changing our website. I am no expert on this and can't wait to have people who are smarter than me to walk through this with me.

**Thank you for all your support!**
